

DEAR READER

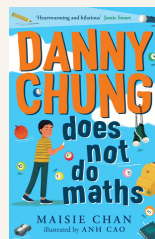

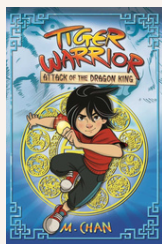

I hope you are all is well with you and that you' re reading a good book. I love reading all kinds of books - detective books, funny books, adventure books, fantasy books and books where I learn something new. What kind of books do you like to read?

I'm super happy to tell you about my book KEEP DANCING, LIZZIE CHU (Published by Piccadilly Press). Lizzie and her grandad (Wai Gong) are BIG Strictly Come Dancing fans! Lizzie's grandad is acting a bit weird and when she gets tickets to the Blackpool Tower Ballroom, she has to persuade him to go because he's not too sure about it, he thinks he has bad luck. There is a road trip, dressing up and sausage sandwiches! It has some deeper themes but is also a good laugh. I also wanted to put some mini stories about the Chinese goddess Guan Yin in there because I used to be a storyteller and those were some of the stories I would tell to young audiences.

Keep laughing! Keep reading! And if you like dancing - Keep dancing!
